

HARBO
INC.

DEBRIS CONTROL

**A Clean Solution for Water Pollution –
Control Waste, Protect Your Waters.**

Designed for reservoirs, industrial sites, ports, and waterways, the Harbo Boom effectively traps floating debris before it becomes unmanageable. Its modular design allows for extended coverage, making it a flexible solution for maintaining clean water environments.

VERSATILITY.

Effective against plastic waste, vegetation, industrial debris, and floating contaminants.

DISPOSABILITY.

Designed for easy removal and safe disposal, preventing secondary pollution.
