

HARBO
INC.

PRESERVING AQUACULTURE

**Preserve Your Waters –
Safeguard Your Marine Life.**

Harbo Boom offers a reliable solution for protecting aquaculture sites from contamination, ensuring marine life and infrastructure remain safe. Its lightweight, easy-to-store design allows for rapid deployment, providing a fast response to unexpected spills while reducing operational risks and preserving water quality.

ECO-FRIENDLY.

Helps maintain water quality by preventing pollutants from spreading into marine ecosystems.

COST-EFFECTIVE.

Reduces long-term operational risks and protects valuable aquatic resources.
